Dear Dale,

Please find a floppy enclosed that should have 9 GEDCOM files. They are:

✓ PAF

269

- ✓ 1. ETNA.GED -- Records relating to Etna Plattenburg (d/o John) and Mathias Lee. This comes from a gentleman in Michigan researching the Lees. I found his name and address in the family folder for Lee in the Monroe County Hist. Soc. He's related some other Lee but happened to have this information in his records. There is also some information that comes from the 1870 census. The GEDCOM file contains both Etna and Mathias.

270

- ✓ 2. GEORGE.GED -- Records relating to George Plattenburg (s/o John). I talked with a lady in Mt. Alton PA after receiving an obituary on George G. Plattenburg.

233

- ✓ 3. BRIMER.GED -- Records relating to Virginia Plattenburg (d/o Samuel D. and my great aunt) and James Brimer. I got this from the family at Thanksgiving, includes Virginia and James Brimer.

+ w F Sallie E. Brutzmann

316

- ✓ 4. HENRY.GED -- Records relating to children of John Henry (s/o James and Mary Ann Henry). This file and the Detrick one below both came from the same family file in the Monroe County Hist. Soc. The Detrick entries quoted church and census records, but this file doesn't really give sources.

317

- ✓ 5. DETRICK.GED -- Records relating to children of Nettie Henry Detrick (d/o James and Mary Ann Henry) and includes both. m. Harvey Detrick. 8 ch.

583

- ✓ 6. HALLET.GED -- Records relating to children of Stanley Hallet and Minnie B. Anthony. This comes from their son's obituary and includes Stanley and Minnie Hallet.

1054

- ✓ 7. HELLER.GED -- Records relating to children of Robert W. Heller and Elizabeth Heller. This includes John R. Heller who you don't have, plus replaces the un-named son you have with Waldron P. Heller. Waldron's widow still lives in the house on Ann street in Stroudsburg that Robert and Elizabeth Heller used to share with John J. Plattenburg. Waldron was a butcher in Stroudsburg for many years. Mrs. Heller has some of the few pictures of Monroe Co. Plattenburgs dated before 1900. She has pictures of Robert and Elizabeth, plus John J. and his wife Lavinia. Grace Predmore d/o Luke and Florence (Heller) Predmore is another addition not included in your files.

1315

- ✓ 8. MADER.GED -- Records relating to Franklin Mader and Albina Henry, including the couple. This comes from Jeff Wright as I mentioned in my last letter. He gave me part of a published Mader family tree that includes his wife's family.

- OK PAF
255
- ✓ 9. EDLEE.GED -- Records relating to Edward Lee and Rachel Plattenburg. This came initially from the Beer's entry for Edward, which is where the names of their children came from. I added quite a bit more later, mostly from the Monroe Co. Court House.

✓ # 269

Unfortunately I went to our family's usual Thanksgiving get together only to find that my great aunt Virginia had died the day before. Several of my mom's cousins came and we caught up on their family's genealogy. The records for Etna come from both census records just before the couple moved to Saginaw, Michigan (the children's names are listed), and from a reply to letter in the Monroe County Historical Society's Lee family file. The letter is dated some time in the 50's from a man interested in the Lee's. He didn't have the dates of the children's births that's listed in the census, but he contacted a gentleman in Michigan that knew who the married names of the girls. I sent out a letter to the address listed in the file, but the letter came back as undeliverable. I'm sure the man in Michigan must have been elderly even back in the 50's.

✓ # 268

I ordered some census microfilm reels from a local library and have some information about James Plattenburg (s/o John) and Esmerelda Stone. It seems they moved to Ottawa Kansas and had two daughters. They must have moved just before 1880 since the one daughter is only one and yet born in Pennsylvania. I'm sending a copy of the record along. I'm writing to a historical society in Kansas and will let you know if any thing more turns up. The 1900 census has absolutely nothing, so maybe they moved on. I saw in your notes on James you say there were two children. I thought I remembered you saying there were more than that, five I think. I don't have your original hand written family sheet for James, but I remember your note there saying there were 5 or 6 children. When you first gave me that sheet, I'm sure I asked you where that information came from, but you didn't know. Any thoughts about where that came from? My first inclination was that I had heard something along the same lines. I thought there might have been something in the Beer's entry for Shrawder Lee, since that's the only one the Plattenburg's really got. I have a photocopy of that though, and there's nothing about James. It couldn't have been in John Plattenburg's will since James was still in Stroudsburg in 1863. I have copies of two siblings' obituaries, Samuel and Susanna, so that's not it either.

OK PAF

At the same time I ordered that microfilm, I also order two reels from the 1850 Maryland census. Judging by your entry for Joseph, I'm under the impression you haven't seen these records. While both Joseph and Elizabeth are born in PA, all of the children are born in MD. The oldest was 32 in 1850, so they should have moved sometime before 1818. Philip is listed separately, but his age fits nicely between the eldest daughter and next youngest son under Joseph. I also noticed Washington is a carpenter, just like Philip.

For the sources of some of my information, I've decided to give you two of my index lists. This should give you the estate file numbers and the marriage dockets for most of the lines in Monroe Co. I noticed you didn't list the family or house number when you listed census data in the notes section. I have that information if you decided to include it later.

OK PAF

I only have one real discrepancy, the rest is mostly additions and other interesting tidbits. There seems to be some confusion about a couple of the children of Lewis Plattenburg (262) and Catharine Lee. They had a daughter Anna and also one called Emily Ann. From the census records there are clearly two daughters since they are 15 years apart in age. I'm very sure that the daughter they called Anna is the one that married Adam Hoffercker and was born around 1874. That would explain what looks like a second wife for Adam. They had two children Louis and Elsie (who married Claude Heeter), both died 5 or 10 years ago. I have both of their obituaries, but I forgot to write down the date of the newspaper. Louis was born 27 November 1900 in Stroud Township (that comes from the register of births in the Stroudsburg Court House) and died in East Stroudsburg. I think that was 1982, but it might have been 1981. He was buried in Prospect Cem., East Stroudsburg. Elsie Heeter was born in East Stroudsburg and had two children, Charles and Louis. Louis married a Halterman, but that's all I know. As for the other sister, Emily Ann, I have the estate records (no will) of Catharine that show an Emily Rinker as an inheritor. I assume this is the married name of Emily, but have never found anything else to support this.

→ m. Geo. RINKER

Here are some of the other things I can add with the RIN#'s in parens:

- OK PAF ✓
- Catharine Brutzman (261) is the daughter of Johannes and Catharine (Metzgar) Brutzman. She was baptized at the Middle Smithfield Presbyterian Church, which is the source of her birth date.
- ✓ Ethel M. Hosier (1078) died in 1967 and was buried in Stroudsburg Cem.
 - ✓ Stanley Huston Kishpaugh died 4 August 1982. (Monroe Co. Estate file 45-82-56)
 - ✓ Robert W. Heller (1086) died 21 January 1940, not 8 January 1949. I don't know if that might be a typo in the court house index records.
 - ✓ Floyd Otto (1099) listed Natrona PA as his place of birth on his marriage certificate.
 - ✓ Robert Predmore (1095) was born in 1922 and is the twin of Roberta. Please note that Martha Jane Plattenburg (they called her Jennie) and Henry Plattenburg are also twins.
 - ✓ Sally Ann Plattenburg (1057) married Edward Walters of Old Forge PA 22 December 1892 at Columbia NJ. (listed in the East Stroudsburg Jeffersonian newspaper)
 - ✓ Judging by his marriage certificate, Amzie Plattenburg (1117) was born about 1896.
 - ✓ Catharine Ruster (277) became a US citizen in 1853 after being born in Olsbrucken-Rheinpfaltz. The obituary of her brother, Nicholas, gives the story of when and where their whole family came from in Germany. Nicholas was the owner of a general store in Stroudsburg that later became Wycoff's. While she usually listed her birth place as Bavaria, I'm not sure that it isn't more like the Black Forest, or maybe even Switzerland today.

- ✓ Please add that Addie D. Plattenburg (1155) was a live-in nurse.
- ✓ Please add Gwendolyn Ann Cramer as a daughter of Amy Jean Plattenburg (1184) and Newton Cramer (1189). She was born 21 April 1941 and married Jack E. Marvin (born 23 May 1936) at East Stroudsburg. Amy Jean Plattenburg (1184) died in October 1981 and Newton Cramer(1189) died 9 March 1990. Newton Cramer's obituary says that the Marvin's have two sons but doesn't mention their names.
- ✓ Virginia Frisbie (1222) was born August 1885.
- ✓ Samuel D. Plattenburg (1159) was baptized 16 October 1882 at East Stroudsburg Methodist by Rev. L. M. Hobbs. (I have the original certificate)
- ✓ My grandfather Clarence Plattenburg (1225) died 13 September 1989 at the Pleasant Valley Nursing Home in Snydersville PA. He was buried in the Laurelwood Cemetery, Stroudsburg.
- ✓ Kathryn Plattenburg (1226) died 26 December 1986. She had another daughter Edna before she married Stanley Bush. It's a delicate matter though because she was raped. Edna died 11 February 1990, her obituary listed only her mother and nothing else. I think that would be the best approach here as well. Edna was born in Delaware Water Gap about 1926 and married Clair Singer. They had three children Lavinia, Jack and James.
- ✓ Ruby Labarre (1291) was born in East Stroudsburg PA.
- ✓ I believe Jacqueline Cramer (1250) is listed by Jackie, which is all I can ever remember calling my cousin by, but you should probably change that. Her situation is a little complicated. Besides Kevin Repsher, she married a guy by the name of Jeff, I don't have the correct spelling of his last name. (my cousin is going to give me all of the exact dates, the divorces, etc.) Their marriage lasted only a couple of months but she had another son, Nicholas born 25 December 1989 at East Stroudsburg PA. I think that's before the divorce papers actually went through, but Jeff is not the father. The father is a James somebody, with whom my cousin has since had another son Christopher, born 2 July 1991 also at East Stroudsburg PA, but Jim and Jackie still haven't married.
- ✓ Cindy Cramer (1249) married Corell Depuy on 21 March 1985. He was born 28 November 1948 and they've had two children, Hannah born 16 August 1987 at East Stroudsburg PA, and Eli born 27 October 1989 also at East Stroudsburg PA. I think Eli's full name is actually Elias.
- ✓ Jordan Cramer (1258) was born 10 November 1983, and has a brother Austin born 11 October 1985 and a sister Ashley born 16 December 1987. They're all born at East Stroudsburg PA.

- ✓ I have only the date of birth for Stanley Evans (1259), the year should be 1927 at Olyphant PA. His daughter Cheryl (1260) married Fred Dean on 6 July 1985 at Wilkes Barre PA. She's a special education teacher and lives in New Orleans. Cheryl and her sister Pam were both born in Scranton PA.
- ✓ Jared Honsberger (1272) was born on 8 March 1983 at East Stroudsburg PA.
- ✓ Jennifer Plattenburg (1275) married Kurt Singer on 31 October 1987. Kurt was born 24 March 1966. They have two children Jessica and Anthony, who were both at the reunion in Lancaster. I don't have Jessica's birthday, but Anthony was born on 5 July 1991 at East Stroudsburg. They call him Andy.
- ✓ Josephine Plattenburg (1241) was married a second time to William Counterman. He was born on 31 May, but I don't have the year.
- ✓ My other aunt Linda and her second husband Thomas Drake (1247) have two children, Thomas and Benjamin. Ben was born 31 March 1987. I'm not really sure if Thomas is really Thomas Jr. or not. We've always called him Thomas, and his father Tom. I don't know if that's because he's not really a junior, or if it's just their way of telling them apart.
- ✓ John Mader (1326) and Mary Ann Henry (1323) were married at Henryville. John's mother's maiden name was Keltz. They both died at Stroudsburg PA.
- ✓ I had some correspondence with the daughter of Roy Albert Mader (1329), who swears he was married 25 Nov. 1925, not 26 Nov. even though the records show otherwise. She also said that even though her mother, Helen Minnie Heater, listed Scranton PA as her birthplace on her marriage license, she was more specifically born in Moosic. Helen died 30 November 1978 at Stroudsburg. Roy also told his daughter that his infant brother Charles (1335) was born 20 September 1927 and died 1 October 1928. (burial in Stroudsburg Cem.) I'm sure that Roy died not more than two or three years ago, but I don't have the correct date.
- ✓ Elwood Mader (1331) died in 1975 at Silver Springs MD. His wife's maiden name (1351) is Sullivan.
- ✓ Lulu May Price (1459) was born at East Stroudsburg PA.
- ✓ James H. Butz (1470) was married first to Marjorie H. Possinger born about 1828 at Tannersville, d/o Ray and Florence (Coslar) Possinger. They were married 25 October 1947 at Matamoras PA.
- ✓ Violet Ruth Butz (1467) was born 2 April 1921.
- ✓ Wayne Harris Butz (1481) was born about 1946 and died at Wind Gap PA in a car accident.

- ✓ Susan Lee (1574) first married Ralph Sommer born about 1904 s/o William and Jennie (Starner) Sommers. They were married 5 September 1925 at Stroudsburg PA. Susan also had a brother Harry born about 1907 that I found on the 1910 census, but I don't know what happened to him after that.
- ✓ Lawrence J. Lesoine (1558) and Grace Bachelor (1559) have two children about my age, Helen and Henry. They lived about three houses down from my grand parents in East Stroudsburg when I was living there in high school.
- ✓ Desma Miller (1520) died 30 December 1984 at East Stroudsburg and is buried in the Evergreen Cemetery in East Stroudsburg.

As for the military history, I just got a regimental history interlibrary loan from my local library so I can give more information. I've read a history of Shiloh where Samuel Plattenburg (s/o John) was wounded but I have two other books on order for that. I was surprised when I read the book I just got because I thought you had a small mix up in your notes. I thought the note you had after Charles (s/o John, b/o Samuel) 132 PA Vol. belonged with Reuben since we already knew he died in the service at Washington DC. But I found in the book that they enlisted and served together. I'm going to send away for Charles' military records right away so I might have some additions later.

For Reuben Plattenburg:

Enlisted 5 August 1862 at Tunkhannock PA, mustered into 132nd PA Vol. Company B on 11 August 1862 at Harrisburg PA for a period of 9 months. Fought in battles of Antietam and Fredericksburg. Sent to General Hospital at Aquia Creek 20 December 1862, just after the battle of Fredericksburg. Transferred to Stanton Military Hospital, Washington DC on 13 February 1863 where he died of typhoid fever on 12 March 1863. Mother Catharine attempted to collect a pension, US Pension Claim No. 222,790, but was denied.

Enlisted 16 September 1861 at Manchester IA, mustered into 12th Iowa Vol. Company F on 25 November 1861 at Dubuque IA for a period of 3 years. Fought in battles of Fort Donelson and Shiloh. Wounded during the first day of battle at Pittsburgh Landing TN, 6 April 1862. Taken to the Hospital at Fort Donelson, then transferred to the Fourth Street Military Hospital in St. Louis MO on 15 April 1862. Treated for a bullet wound in the ankle that entered in the front of the foot, fractured the astragalus, struck and shrunk the Achilles tendon, causing a one inch shortening of the leg. Discharged 26 August 1862 at New House Of Refuge Hospital, St. Louis MO. Received 3/4 pension (US Pension Claim No. 12,359) after examination of Dr. A. Reeves Jackson, Stroudsburg PA, although surgeon's certificate at time of discharge listed entitlement to full pension. Applied for increase due to additional disability (allegedly contracted consumption in February of 1862 at Fort Donelson) but was denied. His wife Catharine applied and received a widow's pension, US Pension Claim No. 357,029.

Well, I started this in September, now it's New Year's Eve. I'm sure that I still have a few things to add, but I better get this letter off. I talked with some of my cousins at Christmas, and we've begun to plan for a regional reunion in August of 95. We figure on having activities in Monroe Co. but the time we picked will coincide with Musikfest in Bethlehem. I'll give you more details as I get them.

Sincerely,

Geoff Crawford
